

The background of the top section is a photograph of the Baxter's Lakeside Grille building at sunset. The building's name "BAXTER'S" is visible in large, illuminated letters on the roof. The sky is a mix of orange, yellow, and purple, with a calm lake in the foreground reflecting the light. The overall mood is warm and inviting.

BAXTER'S

WE'RE OPEN *and*
committed to your
safety and health.

BAXTER'S
LAKESIDE GRILLE

WELCOME BACK

We missed you!

At Baxter's, the safety and health of our guests and team members have always been a top priority. We look forward to serving you again with enhanced protocols in place.

OUR COMMITMENT TO YOU

- 1** All employees will have their temperature checked upon arrival and will maintain strict adherence to all CDC protocols, especially frequent hand washing for at least 20 seconds.
- 2** We have set up our seating areas to comply with social distancing guidelines established by the Governor of Missouri for Phase 1 re-opening.
- 3** All tabletop items have been removed to support a sanitary environment.
- 4** Disposable menus, printed on plain paper, are provided to ensure single use by all guests.
- 5** Team members are assigned to oversee our enhanced protocols for disinfecting of frequently touched surfaces.
- 6** Any team member not feeling well will not be allowed to work and will be required to seek testing for COVID-19. Such team members will be placed on paid sick leave as needed.

TO HELP ALL STAY SAFE, WE ENCOURAGE GUESTS TO:

- Respect, understand the need for, and adhere to the social distancing we have in place that follows federal and state guidelines and CDC recommendations.
- Help us maintain a safe and healthy environment by staying home if you are not feeling well. In these cases, please utilize our curbside pickup or delivery service.
- Understand that, while some procedures are different, our goal is to continue providing the BEST dining experience at the Lake of the Ozarks — what you have come to expect from Baxter's.
